

OUR LADY QUEEN OF MARTYRS

*The gift you have received,
give as a gift.*

Matthew 10:8

As Catholics, we are taught that faith is a gift from God. When we bring our children to church to be baptized, we willingly commit to raising them in the Catholic Christian tradition. Parents are the primary religious educators of their children and the home is where religious concepts and attitudes are developed. Such an awesome task often requires support if we are to be successful. Religious education of young children has been available for more than 30 years in our parish thanks to countless parishioners who have responded to the call of service.

Sunday School ✚

The Early Childhood Program at Our Lady Queen of Martyrs is proud to offer a unique Sunday School that is designed to support parents' efforts to rear their children in the Catholic Christian tradition. Parents are invited to bring their 3, 4 and 5 year olds to the School during 10 a.m. Mass on Sundays from October 4, 2009, through May 2, 2010. The *Sharing God's Story* preschool and kindergarten curriculum we use was developed to stimulate imagination and creativity in children while exploring Bible stories and increasing their knowledge and love of God and Jesus. Age-appropriate activities, crafts, and music enrichment will help them experience vibrant faith and celebrate their place in God's family. By learning the sign of the cross and the Lord's Prayer as well as other prayers, the children come to recognize that prayer is talking to God. Scripture cards highlighting each lesson are provided to parents to enhance these teachings at home.
